

Request from Broome Advertiser:

Can you all please email me your top 5 Kimberley pledges with no more than a sentence for each pledge as we will have limited space.

My promise:

I promise to act with honesty, transparency, purpose and integrity to fulfill my objectives on behalf of our community who have provided me the privilege of being their proudly elected representative, to enact policies which leave a legacy that we can all be proud of for many generations.

I will act on bills and associated items in parliament in accordance with my objectives and on behalf of well founded, sound judgement of the voice of our community. I don't have a party line to toe. I work for the people – every vote is a conscience vote.

Sincerely

Kai Jones
